We can provide hope to you, family members or friends.

How it Works

1

Text Us

Text MDHope to 898211.

2

Type Your ZIP Code

When prompted, provide your ZIP code so we can find local resources to help you find hope.

3

Find Help

Get connected to local resources by telling us if you're seeking help for yourself, a friend or family member or a client. 211 will send you the information you request, such as treatment centers, overdose reversal medication, safe disposal of drugs or prevention support.

You can also connect with a live person at any time.
